Respected Madam,

Sub: Request for Sanction of UGD and CC Road Development  
Works in Sapthagiri Colony, Ward No. 9 - Reg.

OOOOO

Greetings from the residents of Sapthagiri Colony.

I am writing to respectfully bring to your attention the urgent need for certain development works in Sapthagiri Colony, Ward No. 9, Sangareddy Municipality. The colony is currently facing serious issues due to the lack of a proper Underground Drainage (UGD) system and damaged/internal roads which require Cement Concrete (CC) surfacing.

Residents of the colony are experiencing great inconvenience, especially during the rainy season, due to water stagnation, overflowing drains, and deteriorated roads. The absence of a UGD system is leading to unsanitary conditions, posing health risks to the community. Similarly, the poor condition of the roads is affecting daily commutes and causing damage to vehicles.

In view of the above, I kindly request you to sanction the following development works at the earliest:

1. **Construction of Underground Drainage (UGD)** system in Sapthagiri Colony, Ward No. 9 of Sangareddy.

2. **Laying of Cement Concrete (CC) Roads** in the same area for better connectivity and public convenience.

Your favorable consideration of this request will greatly enhance the quality of life for the residents and improve the overall infrastructure of the area.

Thank you for your attention to this matter. We look forward to a positive response.

With warm regards,

( **G.Santosh Kumar** )
